## Status of Major Projects

### Regional Town Plan

The Charters Towers Regional Town Plan will take effect on Monday 29 July 2019 and supports a greater diversity of development opportunities across the Region.

### Local Government Infrastructure Plan

The Charters Towers Regional Local Government Infrastructure Plan is due for lodgement with the Queensland Government for State Review during July 2019.

### Developments

The Goldtower Estate and Ravenswood State School relocation are both under construction with civil works occurring Q3 2019. A Material Change of Use for Cattle Holding Yards (15,500 head) at Reid River formed the largest approval for the 18/19 financial year.
