Dear Assessment Manager,

RE: Request for Change to Approval Conditions
Development Permit for Material Change of Use - Non-resident workforce accommodation
13 Church Street, Greenvale
Lot 156 on SP120466
Council Ref: MCU2023/0005.03

This correspondence is made on behalf of UGL Pty Limited in relation to the abovementioned permit and the operational cease date (Sunset Clause) of the Material Change of Use permit for Non-resident workforce accommodation. In support of the application, please find enclosed Landowner's Consent.

Payment of **\$365.00** will be made upon Council issuing the relevant tax invoice.

Recent Approval History

The subject site is known as (and operating as) Greenvale Worker's Camp. A brief history of the existing/recent approvals is as follows:

- Material Change of use for Non-resident workforce accommodation (80 rooms) on 25 May 2023 (MCU2023/0005)
- Minor Change amending Condition 3 and the cease-use date to 31 December 2024 and amending the timing of Condition 4 to require buildings and structures to be removed from the site by 31 March 2025 (MCU2023/0005.01)
- Minor Change permitting an increase in the number of accommodation from 80 rooms to 128 rooms (MCU2023/0005.02)
- Minor Change amending Condition 3 and the cease-use date to 31 August 2025 and amending the timing of Condition 4 to require buildings and structures to be removed from the site by 30 November 2025 (MCU2023/0005.03)

Project Status

The Greenvale Worker's Camp remains essential to the Genex Kidston Connect Project. It's understood that all transmission towers associated with the project have been installed, with current efforts focused on completing the stringing of the transmission line, which is approximately 80% complete.

Unfortunately the project has incurred several delays since the beginning of this year, primarily due to an unusually wet season North Queensland. These delays include:

- Significant rainfall during December and January caused degradation to the access tracks and localised flooding to creek crossings, which slowed progress.
- Flooding in February restricted access to Greenvale camp
- Further, flooding in mid-March again cut off access to Greenvale camp and also inundated the Blue Range Ridge Crossing, preventing access to the site.
- The Burdekin Bridge Crossing (north of Greenvale) has remained too high for construction vehicles and the volume of traffic to cross safely, resulting in the need to take a longer daily route via Mount Fox Road.

The cumulative impact of these events has pushed the previously changed completion date of the project to the end of the year. As such, an extension of time for the Greenvale Worker's Camp is required to support the ongoing delivery of the project.

Change to Application

Based on the comments made above and in accordance with **Section 78** of the *Planning Act 2016* we formally request for a Minor Change to the Development Permit to have conditions modified as follows:

Condition 3: *The use of Non-resident workforce accommodation must cease on or before **31 December 2025** unless otherwise agreed by the Council.*

Condition 4: *All buildings and structures must be removed and the site returned to pre-development condition unless otherwise agreed by Council. Timing: By **31 March 2026***

Please note there are no further changes required to any other Conditions nor the Approved Plans.

We trust this correspondence provides you with sufficient information in relation to the proposal and we look forward to receiving a positive decision from Council at your earliest convenience.

Should you have any further questions in relation to this matter (written advice request or minor change request), please feel free to contact me directly.

Yours faithfully,

ADAMS + SPARKES
